

VILLA CALCINAIA

RED WINE VINEGAR

Made from selected wines, Villa Calcinaia's red wine vinegar is produced according to local tradition, which the Capponi family can document since 1693.

TASTING NOTES

It is of a fine, clear colour, and carefully processed for a balanced taste. Its aroma, mellowed by a slow maturation in the bottle, evokes the fullness of the wine from which it originates.

FOOD PAIRING

Flavourful, yet never overwhelming, Villa Calcinaia's Aceto di Vino Rosso is an ideal addition to any sort of cuisine, whether for gourmet cooking or the simplest dishes.
